## Aims of Club 8 Intensive

- Effective communication in your professional, academic and social life.
- Increased confidence and fluency.
- Attention to individual language needs with opportunities for individual correction and feedback.

## Course content

This course offers practical and relevant language skills if you have an immediate need for English. Following needs analysis, you will be placed in a group according to your level and individual requirements. The content of the lessons focuses on reviewing and extending the various language areas such as grammar, vocabulary, listening, reading, writing, speaking and pronunciation, building confidence and fluency through continual practice of the language.

Attention is also paid to reading and writing skills where appropriate but the emphasis is on developing listening and speaking abilities through a variety of classroom activities. Typical areas of language include, travelling, socialising, formal and informal meetings and telephoning. Attention to your individual needs is continued during the course through personal interviews with your teacher.
